A GOOD FACE

AND GOOD SENSE REDUCED THE
FINE OF AN IRISHMAN IN POLICE
COURT THIS MORNING.

PAT SWEENEY TRIED TO GET A
CUP OF COFFEE AT A JEWELRY
STORE IN FIRST
WARD.

Jas. Hollingsworth was up first
this morning.

James is the young colored man who
started several messes of trouble in
the neighborhood of the B. & O. Station
Saturday. James also did a high
dive stunt out of a Marion bar window.
He was fined \$10.00.

Ed Pickett was a plain one, merely
drunk, \$6.00.

James Bonner cheerfully confessed to
the habit of getting drunk "on and
off." Jim is one of the old reliable
ones; he averages about once a week.

James Kelly reluctantly confessed
to being slightly intoxicated yesterday,
but said he procured the fifth
stuff Saturday, \$6.00.

August Kronenwetter was the next
one. August came up from Uniontown
Saturday night. Sunday noon he was
found in a beastly drunken condition.
All attempts by Mayor Kinsey and
Solicitor Stanley to find out what
place in Fairmont he bought drinks
yesterday, proved fruitless; he steadfastly
affirmed that he brought it from
Uniontown, \$6.00.

Pat Sweeney wandered over in the
First ward Saturday afternoon. He
evidently thought he had enough
whiskey; so a cup of coffee seemed
necessary and Pat proceeded to find it.
He went into a jewelry store on Water
street, and asked for some. The
proprietor told him very courteously
that they did not have it in stock.
Pat has a choice assortment of swear
words and the jewelry store people
got the full course. Pat was very
much insulted when officer Portney
interrupted his spiel, \$8.00.

Peter McDonald was the star. His
Honour accused Peter of drunkenness.
Told him also that he had a good face
and evidently a good sense of humor.
Peter accounted for that by saying
that he was Irish. "Aren't you the
same man who was up about one week
ago?" the Mayor asked him. Peter
looked demure and shy and evaded
the question. Being pressed for an
answer he said he didn't feel like the

same one. "I am going to get
right out of town," he added. The
Mayor casually remarked that some
one who was up before him last week
made the same promise. Peter told
him that he happened to strike some
whiskey and it was all off. "I am
going to Montana to work," he said.
"We can give you some work." His
Honour informed him, "That's what
I'm looking for, Pete. Well, taking
into consideration your good
face, good naturedness and cleverness,
I will only make it \$6.00. You might
as well make it thirty, I haven't a
cent." Pete will now set to exercise
his stiff muscles.

Tawney's voice was fined \$12.00 for
an assault on Ambrose Carpenter. It
all happened in the Commercial House
bar.

Tawney and Carpenter were mixing
it up in good shape when Portney
arrived. He pulled Tawney out of the
saloon and handed him over to a ty-
stander while he went in again for
Carpenter. Before he found his man
Worley Police put his brother's cus-
todian and they both ran. Portney
caught Tawney and brought him to
the city hall. Carpenter, who was
in no way to blame for the affair, ap-
peared voluntarily this morning and
was discharged.

Chief Morgan, patrolmen Fleming,
Morris, Shaw, Portney and Menear
raided the house occupied by Rhoda
Hillbert in the first ward Saturday
night about twelve o'clock. The only
visitor was a negro by the name of
Fox.

The woman put up twenty dollars
for her appearance this morning, and
the man ten. They were very much
absent, however.

Case Dismissed.
The case of the State of West Vir-
ginia against John Doe for assault was
dismissed in Judge Ames' court this
morning. The prosecution did not ap-
pear and there was nothing to do but
dismiss the case. The prosecution was
instituted by an Italian assila-
tor who was here from Tunnelton
trying to get the Italians at this place
to go there to work. Doe hit the man
and this was the cause of the trouble.
The case was put off until this morn-
ing, and as the Italian did not appear,
the case was dropped.

Thirty Men At Work.
To-day there are thirty men at work
at East Fairmont Park, and by next
Sunday the street leading up to the
Park will be completed.

PHILIPPI, W. Va., May 16.—The

tion the Republicans of Barbour coun-
ty have ever held took place here Sat-
urday, at which the one thousand
five hundred Republicans present
voted without a dissenting vote to in-
struct the county's delegation to the

proceedings were quiet and harmoni-
ous throughout. W. A. Street, of Val-

legation in the matter of the nomi-
nation for Secretary of State is not yet
determined.

IN THE PEN

WAS A COUPLE REMARRIED.
WILL TAKE A HONEYMOON
TRIP AS SOON AS THEY
GET OUT.

COLUMBUS, O., May 16.—Mr. and
Mrs. Wm. H. Ianola Wrenn, Hamilton
county prisoners in the penitentiary,
were united in marriage Sunday by
Father Kelly, chaplain, during the
morning Catholic services. The event
was a new experience for the score
of persons who witnessed it, and they
denoted their approval and expressed
their "best wishes" by vociferously ap-
plauding the ceremony.

Mr. and Mrs. Wrenn were sent up
from Hamilton county, July 22, 1903,
for larceny. They were sentenced to
serve a year each. During their in-
carceration both espoused the Catholic
faith. While they had been married
before their imprisonment by a Prot-
estant church service, they wanted to
conform to the rules of their last con-
version, and Warden Herschey per-
mitted their remarriage by the Cath-
olic chaplain. They will have served
their sentence in a few days. The cer-
emony was a new feature of prison
life and it was much discussed by the
1,500 inmates. After the services
Wrenn bade his bride "good-bye."
She was conducted to the female ward
and he was taken to his cell. Wrenn
says that as soon as the sentence of
himself and wife expire they will take
a honeymoon trip with the money
he has made by working during his
confinement.

Ray C. Stevens returned to-day to
his home at Morgantown after spend-
ing the winter here.
